

Dear Friends,

The NATA Foundation would like to invite you to participate in its 2022 Silent Auction. In 2021, our participants helped us net over \$9,000 and sell 85 items! We want to make 2022 our best year yet and we need your help to make that happen.

During 2021, the NATA Foundation:

- Funded 10 research grants, totaling more than \$125,703
- Provided \$149,500 in professional and post-professional scholarships for students
- Provided 293 members the first chance to present their research and clinical case studies on a topic at the Virtual NATA convention through the NATA Foundation Free Communications program
- Paired 11 mentors and mentees to assist junior faculty with the opportunity to receive guidance, advice and assistance while navigating the first several years of employment within higher education

With your participation in this year's Silent Auction, you will ensure we can continue our mission of championing research, supporting education and enhancing knowledge to optimize the clinical experience and outcomes within the diverse patient populations served by the athletic training profession.

We are reaching out to you specifically and asking your assistance with donating items for our silent auction. This year our auction will be online and all items will be displayed "virtually" at the NATA connect section of the AT Expo during the annual NATA Convention in Philadelphia. We will need all items at the NATA office or an indication of delivery to the winning bidder by May 1st, 2022.

Please review the attached contract to learn more about the benefits we can offer to you in exchange for your generous contribution and support. Visit our [website](#) for the most up to date information. For additional questions, please contact Kathryn LaLonde at fndnstaff@nata.org.

Best regards,
