

Dear Friends,

The NATA Foundation would like to invite you to participate in its 2023 Silent Auction. In 2022, our generous supporters helped us net over \$8,000! We want to make 2023 our best year yet and we need your help to make that happen.

We need your assistance by donating items for our silent auction. This year our auction will be online and all items will be displayed “virtually” at the NATA Foundation Booth in the AT Expo during the annual NATA Convention in Indianapolis.

Because of generous partners, the NATA Foundation has advanced the athletic training profession in many ways including:

- Awarding 1,905 scholarships valued at more than \$3.87 Million to support future AT leaders.
- Awarding 378 research grants valued more than \$5.31 Million to advance AT clinical practice and patient outcomes.
- Providing the opportunity for AT researchers to present more than 8,491 abstracts through the Free Communications program at the annual NATA clinical symposium & AT expo.
- Pairing 113 mentors and mentees to assist junior AT faculty with navigating the challenges of the first several years of employment within higher education.
- Coordinating the release of 17 position statements in collaboration with the NATA (since 2012).
- Providing students with the opportunity to develop their professional writing skills through the Student Writing Contest.
- Making some of the latest science behind EBP more accessible to AT clinicians and other healthcare professionals through the "*Research to Clinical Practice*" newsletter.
- Coordinating the Athletic Training Research Agenda in order to identify research priorities and unify research with clinical practice to improve patient care and advance the profession.

With your participation in this year’s Silent Auction, you will ensure we can continue our mission of championing research, supporting education and enhancing knowledge to optimize the clinical experience and outcomes within the diverse patient populations served by the athletic training profession.

Please review the attached contract to learn more about the benefits we can offer to you in exchange for your generous contribution and support. Visit our [website](#) for the most up to date information. For additional questions, please contact Kathryn LaLonde at [kathrynl@nata.org](mailto:kathrynl@nata.org). We will need all items delivered or an indication of delivery to the winning bidder by May 1<sup>st</sup>, 2023.

Thank you for your commitment to advancing the athletic training profession. We are grateful for you.

A handwritten signature in black ink that reads "Kenneth F. Cameron". The signature is fluid and cursive, with a prominent initial 'K'.

Kenneth “Ken” Cameron PhD, MPH, ATC, CSCS, FNATA  
President, NATA Research & Education Foundation
