## **ABOUT THE NATA FOUNDATION AMBASSADOR PROGRAM**

The NATA Foundation ambassador program is a way to increase awareness and support for our mission through dedicated volunteer advocates. Ambassadors will represent the NATA Foundation, helping to spread the word about our work in advancing athletic training through research, education, and professional development programs.

By sharing their personal experiences and passion for the profession, ambassadors serve as the face of the NATA Foundation, inspiring others to get involved. They may include donors, volunteers, and influential members of the athletic training community who are committed to our mission.

Through their efforts, ambassadors help expand our reach, strengthen our credibility, and ultimately generate more support and funding for the future of athletic training.

**Mission:** The NATA Foundation Ambassador Program is dedicated to advancing the mission of the NATA Foundation by increasing awareness, engagement, and support within the athletic training community and beyond. Our ambassadors serve as passionate advocates, sharing the impact of the NATA Foundation's research, scholarships, and professional development initiatives. Through their voices and outreach, they help strengthen connections, inspire involvement, and drive fundraising efforts to ensure a thriving future for our organization and the athletic training profession.

## Goals and Objectives:

1. **Promotion and Member Education:** Ambassadors play a key role in promoting the NATA Foundation by educating members, increasing visibility, and ensuring that NATA Foundation initiatives are effectively communicated at the local, state, regional and district levels.
2. **Leadership Development and Board Communication:** The NATA Foundation Ambassador Program fosters leadership growth. By engaging Athletic Training Students, the Ambassador Program will cultivate members interested in continuing to promote and support the NATA Foundation as credentialed professionals.
3. **Fundraising and Development:** Ambassadors play a vital role in supporting the NATA Foundation's fundraising and development efforts. Their involvement helps expand donor engagement, increase contributions, and strengthen connections within the athletic training community.

Questions about the Ambassador Program can be emailed to **Stephanie Rowan**, NATA Foundation Development Manager at [stephanier@nata.org](mailto:stephanier@nata.org).
