OPEN CALL FOR EDUCATIONAL RESOURCES COMMITTEE (ERC) CHAIR

Term Start: June 2024 *(will serve as chair-elect beginning June 2023)*
Term: Two (2) year term, starting and ending in June, once renewable

**Eligibility Requirements:**

- ATC, BOC, NPI number
- Member of NATA
- Current or past member of the Educational Resources Committee *(preferred)*
- Leadership and collaborative experiences in diverse settings/environments *(preferred)*

**Note:**

- Typically, the selected chairperson will not serve concurrently on another NATA Foundation committee/program during their appointment as Chairperson.

**Submission Process**

Applicants must submit a curriculum vitae that includes evidence of the minimum and preferred requirements.

Applicants must submit a cover letter that elaborates on how their experience and background align with the desired qualifications for this position and how they would contribute to their success as chair in accomplishing the mission of the Educational Resources Committee.

All applications must be submitted no later than **January 6, 2023** to the NATA Foundation, via the [online submission link](#).

The Foundation creates, fosters, and advances a culture that values diversity, equity, and inclusion in all its activities. Our stakeholders come from all walks of life and so should we. We want committed people from a wide variety of backgrounds involved with the Foundation’s leadership and programs. Our mission and stakeholders are best served when people bring a variety of views and backgrounds together to advance our strategic priorities. Please join us.

EDUCATIONAL RESOURCES COMMITTEE

Overview and Mission: The mission of the NATA Foundation Educational Resources Committee (ERC) is to provide educational resources to athletic trainers that promote the translation of evidence from clinical research into practice, in order to enhance and/or optimize evidence-based clinical practice in the Athletic Training profession.

Primary Goals and Objectives: The primary objective of the ERC is to develop and/or collaborate on the development of resources that incorporate evidence-based recommendations and guidelines in order to disseminate them to clinicians in a meaningful way. Specific committee goals and objectives include:

1. Develop infographics, articles, and webinars aligned with evidence-based practice to translate clinical research evidence into practice.
2. Develop infographics and webinars to make information in NATA Position Statements more accessible to Athletic Training clinicians.
3. Work with the ATRAC to develop strategies resources to promote collaboration between Athletic Training clinicians and researchers to optimize translation of research to clinical practice.
4. Coordinate webinar delivery through NATA Knowledge Initiatives Professional Development Center (PDC).
