

## GRANT INFORMATION SUMMARY REPORT INSTRUCTIONS

Due **February 1** of the calendar year during which the results of your study will be presented as the NATA annual meeting or Athletic Trainers Educators Conference (ATEC)

The following should be included in the Grant Information Summary Packet:

### Summary Report Cover Sheet

Please include [cover sheet](#) information for each co-principal investigator (if applicable)

### Practical Significance Statement (20-30 words)

This should be a brief, practical message to the *Grant Information Summary* reader about the research findings. Please keep in mind that this highlighted statement will be the focal point in any Grant Information Summary, and should be written in non-technical language.

### Study Background Statement (50-100 words)

This should be a brief summary of the background that provides the reader with a justification for the study.

### Study Summary (75-200 words)

This should include the following sub headings: *Objective, Design & Setting, Subjects, Measurements, Results* and *Conclusions*.

### Publication and Presentation List

This should include a list of publications and presentations related to the project.

### Digital Photography

Photographs of your research process can be very helpful, and are strongly encouraged. If at all possible, please include digital photography (minimum 300 dpi) of relevant aspects of the project. Also, please include a photo of yourself (headshot only). Include a signed [photo release](#).

### Current Bio

Please include a short, up-to-date biography.

The NATA Foundation reserves the right to publish a NATA Research & Education Grant Information Summary, and possibly a press release on the project.

Please send the completed **Grant Information Summary Report** vial mail or email to:
