ABOUT THE PRONOUNCEMENTS COMMITTEE

Overview and Mission: The mission of the NATA Foundation Pronouncements Committee is to develop, write and publish position statements relevant to advancing the Athletic Training profession. Position statements are scientifically based, peer reviewed research written by a team of authors who are experts on the relevant field. The NATA Foundation's Pronouncements Committee works with the NATA to develop these position statements based on educational, clinical and/or professional needs.

Primary Goals and Objectives: The primary objective of the Pronouncements Committee is to solicit, develop, review, and oversee the production and publication of NATA/Foundation Position Statements. Specific committee goals and objectives include:

1. Develop and produce high quality position statements leveraging teams of scientific, educational, administrative and/or clinical experts in the appropriate fields.
2. Assess and evaluate the need for future position statements and updates for existing position statements.
3. Identify gaps and areas of needed evidence or synthesis to inform evidence-based clinical practice.

Time Commitment:

- Quarterly meetings lasting ~2 hours over zoom
- One summer meeting lasting ~4 hours in-person before NATA Annual Symposia
- Business conducted via email in between each quarterly meeting with 1-4 hours per month
