- Previous experience reviewing research grant proposals or manuscripts (preferred)

Submission Process

Applicants must submit a curriculum vitae that includes evidence of the minimum and preferred requirements

Applicants must submit a cover letter that includes their identified area of expertise, and describes their potential value to the committee in terms of research methods, content knowledge, contribution to science, contribution to the athletic training profession.

All submissions must be emailed no later than **May 1, 2021** to the NATA Foundation at FNDNStaff@nata.org with Research Committee in the subject field.

The Foundation creates, fosters, and advances a culture that values diversity, equity, and inclusion in all its activities. Our stakeholders come from all walks of life and so should we. We want committed people from a wide variety of backgrounds involved with the Foundation's leadership and programs. Our mission and stakeholders are best served when people bring a variety of views and backgrounds together to advance our strategic priorities. Please join us.

Please direct questions about the position to:

Kathryn LaLonde (Programs and Projects Coordinator) at kathrynl@nata.org
