Date

The NATA Foundation invites you or your company/group representative to attend the NATA Foundation Research Mentor Program Luncheon during the NATA Clinical Symposia & AT Expo. All current grant recipients are invited to attend this event as guests of the NATA Foundation to publicly receive their award.

As added benefits to our sponsors, we list each sponsor on our website, in the luncheon program and on convention signage.

Supporting and advancing the athletic training profession through research and education.

NATA Foundation is a 501(c)3 tax-exempt organization and your donation is tax-deductible within the guidelines of U.S. law.

EIN number 75-2395176.

NATA Foundation Research Grant Sponsor Options

The NATA Foundation offers four (4) options for consideration by the NATA Foundation research grant sponsors. The requirements for each option are outlined below.

FULL ENDOWMENT RESEARCH GRANT OPTION*

- Agree to make a one-time scholarship sponsorship contribution of \$50,000 for a Doctoral Research Grant or \$25,000 for a Masters Research Grant
- The one-time research grant sponsorship contribution of \$50,000 or \$25,000 must be received by March 31st of the calendar year prior to which the first grant is to be awarded.
- Your \$50,000 or \$25,000 gift will be maintained in perpetuity (in your designated research endowment account) by the NATA Foundation.
- A \$1,000 or \$2,500 research grant (depending on designation) award will be presented annually, beginning at the next NATA Clinical Symposia & AT Expo, in the name of the research grant sponsor.
- Each successive annual grant award will be funded by the earnings from the balance of your one-time gift (in your designated scholarship endowment account).
- No further research grant sponsorship contributions will be required for this option.

ANNUAL RESEARCH GRANT SPONSORSHIP OPTIONS

1-YEAR SPONSORSHIP OPTION (\$10,000 for a General or Education Research Grant)

1-YEAR SPONSORSHIP OPTION (\$2,500 for a Doctoral Research Grant)

1-YEAR SPONSORSHIP OPTION (\$1,000 for a Masters Research Grant)

- The research grant sponsorship contribution as designated on page one must be received by March 31st of the calendar year during which the research grant is to be awarded. This amount will be awarded to the research grant recipient.
- A research grant award in the name of the research grant sponsor will be presented at the next NATA Clinical Symposia & AT Expo.

The average fair market value calculated above must equal or exceed the minimum for full funding established by the NATA FOUNDATION Board of Directors to allow a distribution to be made from the fund in the next fiscal year. If this is not the case, income will be reinvested until this threshold is reached. Once the principal has reached \$50,000 or \$25,000, subsequent donations may be added to the principal to ensure funds are available to administer the grant in years in which the interest may not reach the amount necessary to award the grant.
