## **ABOUT THE SCHOLARSHIP COMMITTEE**

**Overview and Mission:** The Scholarship Committee is charged with administering the NATA Foundation Scholarship Program. The Scholarship Committee is responsible for soliciting, reviewing and recommending to the BOD qualified students for board consideration and approval of scholarship awards.

**Primary Goals and Objectives:** The Scholarship Committee identifies and recommends scholarship awards. Specific committee goals and objectives include:

1. Review and update the criteria for scholarship awards.
2. Solicit and evaluate scholarship applications within specified categories.
3. Recommend qualified students to receive scholarship awards to the BOD based on review of applications by committee members.
4. Recognize excellence in athletic training students through the awards presentation during the Pinky Newell Scholarship and Leadership reception, held annually during the NATA Clinical Symposia and AT Expo.
5. Demonstrate the impact of the scholarship programs by highlighting past scholarship awardees.
