

THE ABDENOUR FAMILY

— RESEARCH ENDOWMENT

ABOUT THE ENDOWMENT:

The Abdenour Family Research Grant will provide \$2,500 to support the research of a clinician or junior faculty without academic tenure that enhances the clinical experience and outcomes within the diverse population served by the athletic training profession.

Beginning in 2021, this grant will be awarded to a qualified doctoral student based on the donors priorities (listed below in descending priority order):

1. African American student
2. Other student of color
3. Any qualified applicant

RESEARCH GRANT RECIPIENTS:

2025 Vanessa Gruskiewicz, Old Dominion University
2024 Elaine Reiche, The University of North Carolina at Chapel Hill
